Certificate of Merit and Letter of Recommendation

Manuj Varma has completed his summer internship dated from March 15th, 2019 to July 1st, 2019. During this tenure he worked on developing a new proof of concept for blockchain application.

He has shown incredible zeal and commitment towards work. He possesses an eye for research and stood out by delivering good performance. He is self-motivated, confident, fast-learner and a team-player. He also took lead on project and demonstrated his leadership ability.

He is always ready to take up challenges and works strategically to find a path through.

Best wishes,

Sukant Khurana, Ph.D.

Scientist, CSIR-CDRI
